To expo company EXPONIC
and personally to the CEO Ivan Nikolskiy

Letter of recommendation

On behalf of Color Granito Pvt Ltd. let me express the great attitude to the exhibition company EXPONIC and personally to the managing director Ivan Nikoskiy for their support during the MosBuild-2022 exhibition in Crocus Expo, Moscow.

The construction of "COLORTILE GROUP" exhibition stand was made perfectly on schedule with precise attention to little things and on the highest technological level. The EXPONIC team demonstrated perfect effort during installation and exhibition periods. The mounters, painters and laying tiles personnel crews were working together in parallel, united and behind each other.

I would also like to thank the work of managers, who helped us with catering, barmen, minor changes and adjustments to the stand, purchases and other tasks that were completed at short notice when we asked for them during the exhibition.

The stand was implemented in strict accordance with the design project we provided.

Color Granito Pvt Ltd. highly recommends EXPONIC company as a reliable contractor for the design and construction of individual exhibition stands and collective expositions in Russia.
