

International Federation
of Exhibition
and Event Services

MEMBERSHIP CERTIFICATE

IFES is established to represent the interests of national associations and individual companies active in the design, conception, production and show services for temporary structures used at expositions and tradeshows. IFES promotes face to face marketing through tradeshows within the marketing mix worldwide. Results-oriented marketing requires well-trained professionals to guide the process. IFES members ensure that Fairs, Exhibitions, Meetings, Congresses and Events are professionally produced with qualified experts.

EXPONIC

is admitted to membership and agrees to follow the principles and codes of conduct set forth by the International Federation of Exhibition and Events Services.
